PROFESSIONAL SUMMARY

Internal audit professional with over 14 years of experience in the banking sector, including more than 7 years specializing as a Corporate Internal Auditor at head office level. Skilled in leading audit assignments and teams, conducting investigations, addressing fraud-related issues, and enhancing operational efficiency. Complements audit expertise with technical skills in Python programming, data analytics, cloud computing and computer networking, supported by AWS and Cisco certifications. Committed to continuous professional development and delivering exceptional results.

PROFESSIONAL EXPERIENCE

Corporate Internal Auditor May 2018 – Present

Commercial Bank of Ethiopia, Head Office — Addis Ababa, Ethiopia

- Conducted audits and provided consulting services across multiple departments and units, including HR, Procurement, AML, and IFB Digital Banking.
- Led audits and investigations across branches, district offices and head office units, identifying and addressing fraud-related issues.
- Developed the Audit Archive system for the Internal Audit division to improve accessibility, efficiency, and compliance and risk management, and presented the initial demo to stakeholders.

Senior Customer Service Officer II, Accounts Jul 2017 – Apr 2018

Commercial Bank of Ethiopia, Harar Branch — Harar, Ethiopia

- Reconciled and settled differences between head office and branch drawing sheets.
- Controlled and managed expense and income accounts, and suspense account receivables and payables, with precision.
- Coordinated month-end closing processes to meet aggressive deadlines.
- Reconciled and settled daily branch ATM transactions.
- Resolved a 10-year-old account discrepancy within a short period, improving the accuracy and efficiency of branch operations.

Senior Branch Controller II Dec 2015 – Jun 2017

Commercial Bank of Ethiopia, Harar Branch — Harar, Ethiopia

- Ensured strict compliance with internal policies and regulatory requirements to maintain integrity and transparency.
- Audited and identified discrepancies at the branch level, improving the accuracy and efficiency of operations.
- Controlled day-to-day transactions, overseeing the accuracy and completeness of financial entries.

Customer Service Officer Jul 2011 – Nov 2015

Commercial Bank of Ethiopia, Hararmaya Branch — Hararmaya, Ethiopia

- Provided customer service as a bank teller, fostering strong client relationships.
- Opened, modified and closed customer accounts in line with regulatory requirements and internal procedures.
- Conducted account reviews to identify cross-selling and upselling opportunities.

Junior Clerk Sep 2010 – Jul 2011

Commercial Bank of Ethiopia, Jigjiga Branch — Jigjiga, Ethiopia

- Gained cross-functional experience through rotations across departments as a bank trainee.
- Supported administrative tasks including data entry, document management and filing.
- Assisted the customer service team with inquiries and basic issue resolution.
